

THE AUSTRALIAN STAGE COMBAT ASSOCIATION INC.

Protecting Australian stages through the pursuit of truth and excellence in performance and safety.

MEMBERSHIP RENEWAL

The Member is reminded that the art form of Stage Combat consists of the study and practice of safe techniques and illusions of combat and violence for use in theatre and film productions. These techniques include training in Unarmed Fighting and Weapons Combat skills, all of which carry certain inherent risks and dangers. As such these skills are physically and mentally demanding and require every practitioner to exercise extreme focus, concentration, discipline and communication at all times to ensure the safety and enjoyment of all participants.
